Fletcher, the first man up, hit to White, who fumbled. Boyd struck out. Lord hit safely, advancing Fletcher to third. Lord stole second and McCormick hit to Kierker, who fumbled and threw the ball away. Fletcher scored. Lord being caught at the plate. McCormick took second and scored on McKay's hit. English hit to Kierker, who fumbled. Boyd hit safely and scored McKay. Murray struck out.

In the third the Hospital scored five runs. Murphy hit safely. Gleason hit to short, but Murray fumbled. McGraw got a scratch, but Chase cleared the base with a three bagger. Austin followed with another triple. Moore hit to Boyd, and was thrown out at first. Austin scored on Moore's fumble of Kierker's grounder. White tied out to Boyd.

**WINNER OF DERBY**

Grey Filly Tagalie Held Lead from Start to Finish.

Essex Downs, England, June 5.—Tagalie, a grey filly owned by W. R. Tagalie and running at 100 to 5, won the Derby today with L. Newman's jockey, second, four long. Behind her August Belmont's brown colt, Tracery, third, a scant two lengths away. The king's horse, Prince of Wales, fourth, King George and Queen Mary saw

the running of the Derby, which, through the defeat of the favorite, Sweeper II, owned by the American, B. R. Durea, will go down in history as most disappointing.

From the start, however, Mr. Durea's colt had no chance. Danny Maher, who had the mount, had studied Sweeper II, and put him into a position from which when the call was made, it was expected that he could easily extend himself and outpace his adversary. Maher countered without Johnny Reid, another American jockey, who rode Tagalie. When the tape fell Reid took the filly to the front and kept her there until the finish. Tagalie was the only filly in the race and the first grey to win the Derby since 1821.

An even greater surprise than Tagalie's victory was the performance of Mr. Belmont's Tracery, who, after a hard fight with Pinhead, needed the latter out and finished third.

Kahanamoku May Represent United States at Stockholm.

Hawaiian swimmers have for many years been noted for speed and endurance, but they have never competed in a fair prospect of the representative from that territory. Duke Kahanamoku, representing this country in the Olympic games in Sweden. He belongs to the Hui Malu Swimming Club of Honolulu and holds the 100 and 100 yards record.

He is also credited with 45 4-5 seconds for the century in salt water, which is a fifth of a second faster than the world record held by Cecil Hatfield of Australia, but the time was made in practice and is not a record. His best time for the distance in fresh water is 55 2-5 seconds.

Previous to his arrival in this country a few months ago Kahanamoku was in an indoor tank, and on his first appearance at Pittsburgh he started out with tremendous speed, but the unaccustomed turns were too much for him and he was taken from the water in a fainting condition. On the second occasion he did a good deal better. He did not win the distance championship there, although he took two sprinting titles. He then went to Pennsylvania to take advantage of the fine coaching of Kierker, who believes him to be the greatest swimmer in the world. In the championship in Chicago last month he made a splendid showing. He will compete in different outdoor meets this summer.

R. A. Gardner Makes Pole Vault Record of 12 Feet 1 Inch.

Exceeding the fondest hopes of their supporters, the track team of the University of Pennsylvania carried off the honors in the thirty-seventh annual interscholastic championship meet on Franklin field Saturday. Five of the records of the association were shattered, one of them being a world's mark; upsets in form occurred that made the followers of the sport gasp, and rarely has it been the fortune of spectators to see an athletic competition so crowded into one afternoon so many thrilling battles for first honors.

Not a race, even those in which the old marks were broken, was a mere sort of a walk away, and in two of the track records that were made it is likely that the second man in each race beat the previous performance.

The greatest record of the day was made by Robert A. Gardner of Yale, in the pole vault, when he topped the crossbar with a bit to spare at 12 feet 1 inch. Harry Babcock of Columbia, who established the mark last year of 12 feet 5 1/2 inches, was forced to bow to the Yale man, but it was not without a bitter struggle. Each of them cleared the bar at 12 feet 5 1/2 inches, when the work was pushed up to a mark that five years ago was thought unattainable. Gardner made a beautiful leap, but it was he would Babcock could not get quite

# ENGLAND'S CRACK CREWS.

Famous Thames Rowing Club Four Included in Team.

The crew races in connection with the Olympic games to be held at Stockholm during July are attracting far more attention in Europe than in the case in this country. England is likely to be represented by both eight and four, including the famous Thames Rowing Club four, which won the Stewards' cup at Henley last summer. This combination, which consists of Bruce Lugg, stroke, C. G. Rought, 2, K. Vernon, 2, and Beresford, bow, it is understood, is willing to make the trip if selected. It is believed that the rowing conditions are particularly favorable to the English fours' style and form.

The course to be used for the regatta will be charted on a small lake about a mile and a half long. The course is dead straight for 1,700 out of 2,000 meters. It is dead straight and sheltered from the wind with a road and a path, along either of which it is possible to follow the races from start to finish. The course is only a few minutes' ride from the center of town.
